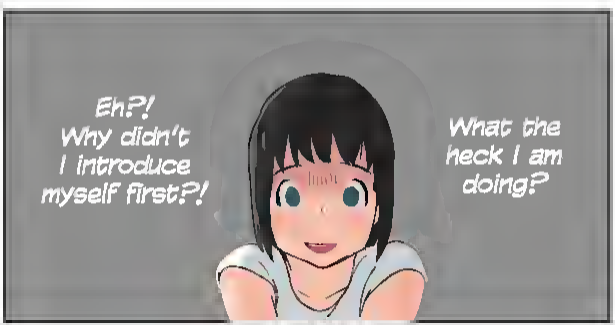
Chapter 10 : Befriending



Eh?!
Why didn't
I introduce
myself first?!
What the
heck I am
doing?

.....
Err..
I'm...

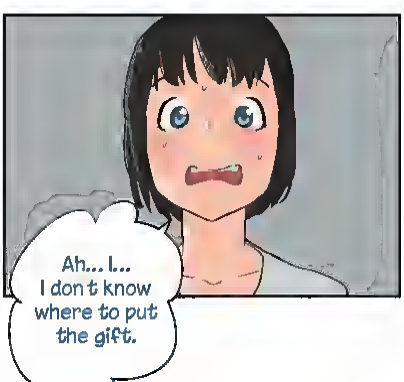
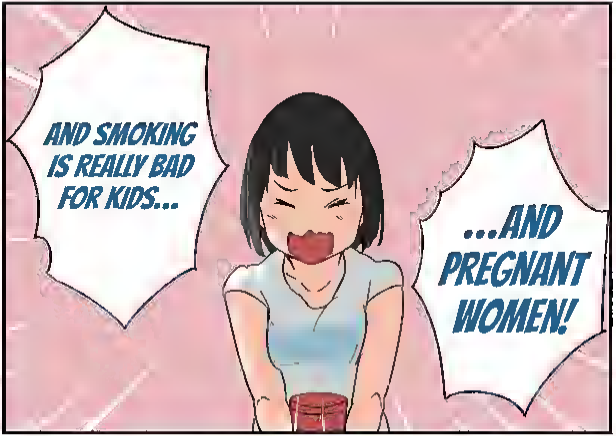
ㄱ~
Hey, wait!



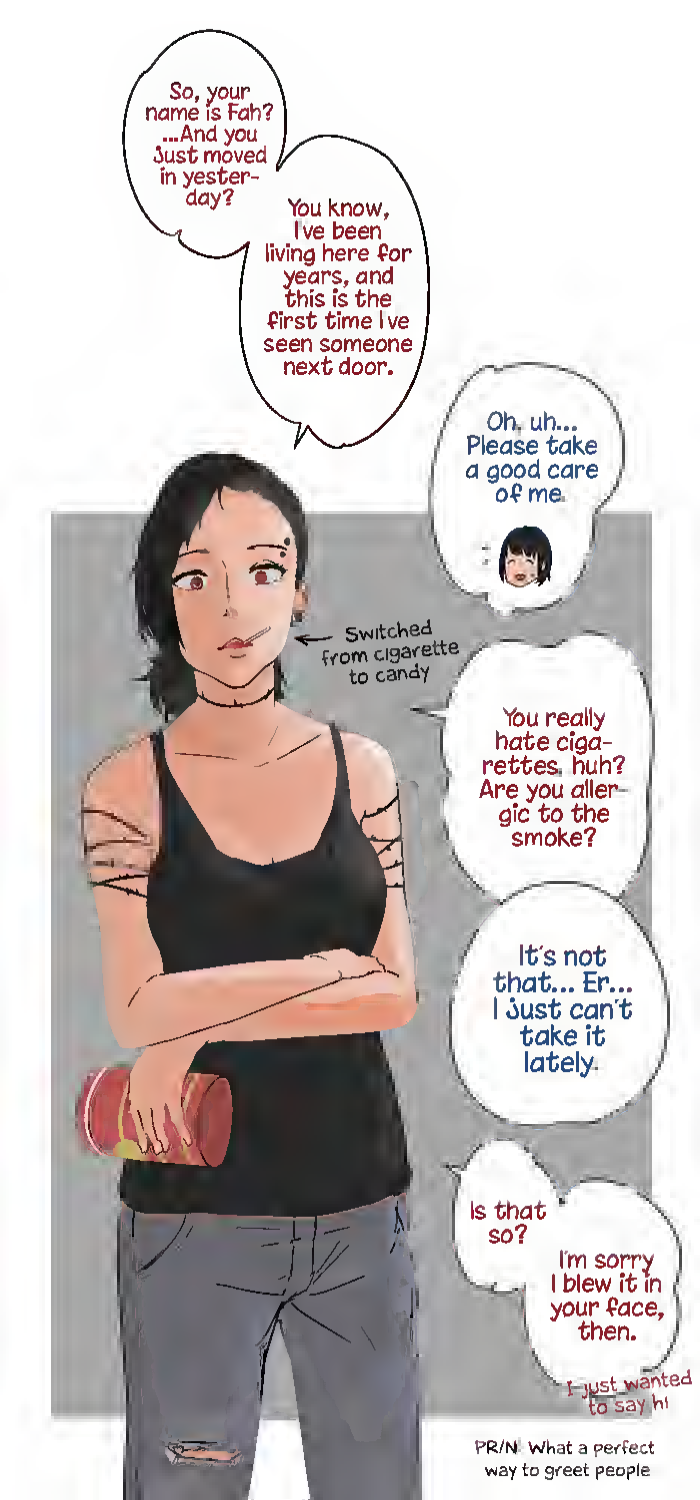
Ah... I... I don't know where to put the gift.



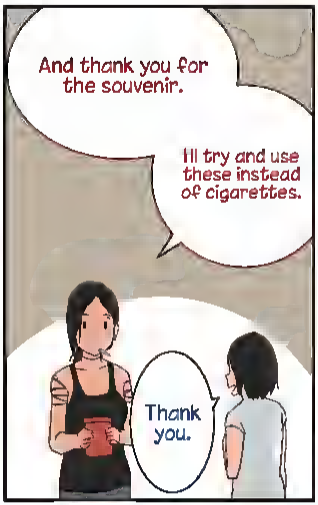
AND SMOKING IS REALLY BAD FOR KIDS...
...AND PREGNANT WOMEN!

Turns

Wanna try?
No thanks.



So, your name is Fah? ...And you just moved in yesterday?
You know, I've been living here for years, and this is the first time I've seen someone next door.
Oh, uh... Please take a good care of me.
Switched from cigarette to candy
You really hate cigarettes, huh? Are you allergic to the smoke?
It's not that... Er... I just can't take it lately.
Is that so?
I'm sorry I blew it in your face, then.
I just wanted to say hi
PR/N: What a perfect way to greet people



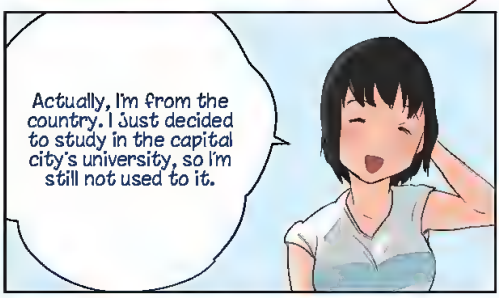
And thank you for the souvenir.
I'll try and use these instead of cigarettes.
Thank you.

I'm really lucky. It looks like she's a good person and she's a woman.
Even if she did blow smoke in my face..

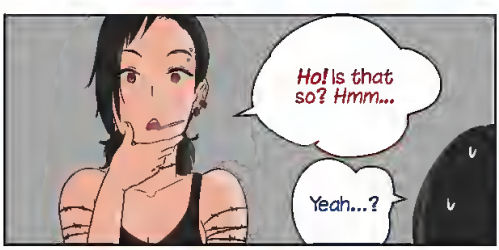
Do you live here with a roommate?

No, I'm here by myself.

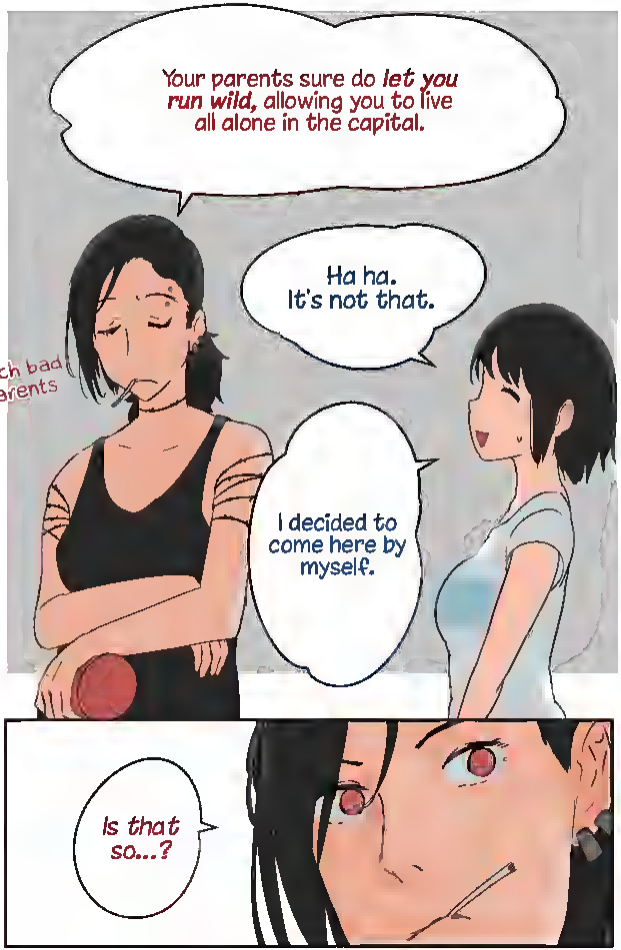
Are you here studying?
Yeah, but the new semester won't start for a while.
Do you go to the university near here?
Yes.
You're a student and you live alone, plus the rent here is pretty high. Don't you think you're wasting a bunch of money?
My dad owns the room, so it's not that much of a problem.
Hoo really?! A room owner! It seems like we got a rich girl living here now.



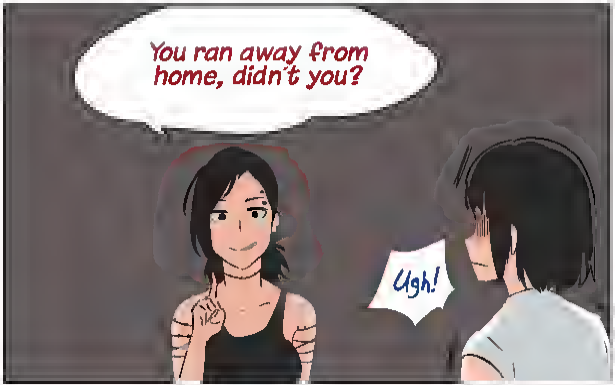
Actually, I'm from the country. I just decided to study in the capital city's university, so I'm still not used to it.



Ho! Is that so? Hmm...
Yeah...?



Your parents sure do *let you run wild*, allowing you to live all alone in the capital.
Such bad parents
Ha ha. It's not that.
I decided to come here by myself.
Is that so...?

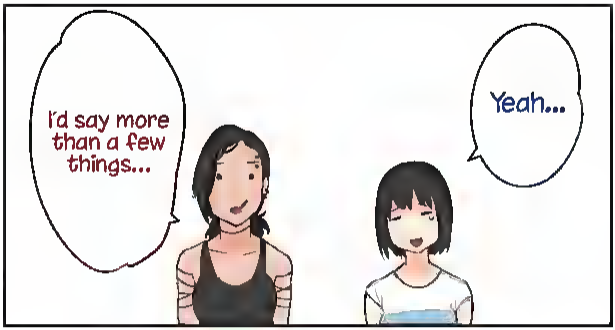


You ran away from home, didn't you?
Ugh!

I... I could never do something like that!
Uh... Actually, I have this problem, but it's not a big deal...
Hahaha! Just kidding. You don't need to worry, I don't intend to pry too much.
Is that so?

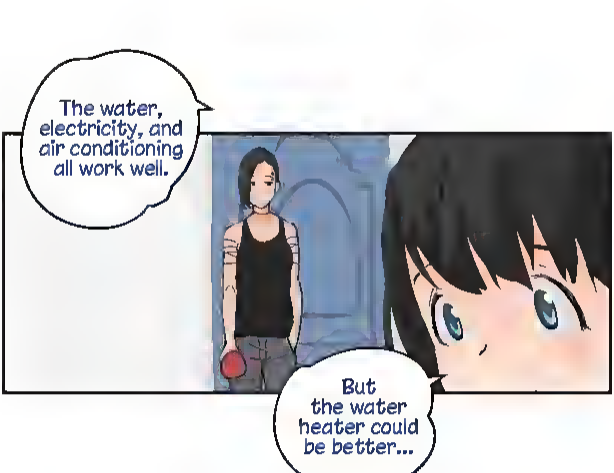
Alright, from now on let's be good neighbors. Just tell me if you need anything.
Thank you.
You don't have to be so polite with me, either. Relax a little.
O... Okay.
You just moved in, so you still need a few things, right?
I guess.
Can I come in?

Shine...



I'd say more than a few things...
Yeah...

I got back from the store a little while ago, so I still haven't put anything away yet.



The water, electricity, and air conditioning all work well.
But the water heater could be better...
